<b>Explanations</b>	

By the T.R. Ministry of Energy and Natural Resources, it has been notified to our Company on 08.06.2026 (today) that the application for 50 MWe of unlicensed generation filed by our Company, Limak Doğu Anadolu Çimento Sanayi ve Ticaret A.Ş., under Article 5 (1-h) of the Regulation on Unlicensed Electricity Generation in the Electricity Market has been evaluated positively, and that our Company has been granted a capacity allocation right of 34.35 MWe as a result of the capacity allocation priority ranking carried out pursuant to the decision of the T.R. Energy Market Regulatory Authority (EMRA) No. 14353 dated 26.02.2026.

Respectfully announced to the public.

*This statement has been translated into English for informational purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail.*

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
