Explanations	

According to the 2025 results of the annual "R&D 500" study conducted by Turkishtime, our main shareholder Limak Çimento Sanayi ve Ticaret A.Ş., has become the only cement producer to rank among the top 250 companies on the list.

Limak Çimento was evaluated in the aforementioned study based on its 12 active strategic R&D projects and climate-focused patent portfolio, earning recognition among "Turkey's R&D and Design Stars."

It is evaluated that this achievement of our main shareholder in the field of R&D will contribute positively to our Company's sustainability and value-added product development goals.

Respectfully submitted for the information of the public and our investors.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
